

Ella's first hit was inspired by the nursery rhyme "A-Tisket, A-Tasket." She started with the rhyme and added her own words, and then the musical arranger helped transform it into a song.

Add a verse to the beginning of each of the nursery rhymes below to create your own song.

Hey diddle, diddle,
The cat and the fiddle,
The cow jumped over the moon.

There was an old woman who lived in a shoe.
She had so many children, she didn't know what to do.

Twinkle, twinkle, little star,
How I wonder what you are!

Row, row, row your boat
Gently down the stream.
