

1. Do you have people you enjoy spending time with the way that Juana loves being with Piti and her cousins? What do you do with them for fun?
2. Do you like spending more time in the country like where La Finca is or in a city like Bogotá?
3. Have you ever been in a wedding or been to one? Do you think you would like to be a flower girl or a ring bearer?
4. Why do you think that change, even when it's a good change, can be so scary?
5. In the end, none of the changes that Juana was so worried about are too bad. In fact, she realizes that she might be happy with her new life. Have you had any similar experiences?
