

Juana's cousin Cami is older and has read so many books. When they have sleepovers, Cami tells Juana stories that are *fascinantes*.

Sit in a circle and pretend you are at a sleepover or gathered around a campfire. Create a story that is fascinante together. One person begins with a sentence such as "Once upon a time, there was a girl who lived in Bogotá." Then the person to their left will continue the story. They can say something like "The little girl's best friend was a dog." The person to their left will add another sentence. Continue around the circle until you've woven together a story!
